

Classic style, and flexibility made easy...

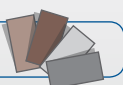

Manufactured in Australia using only the highest quality Uniline products, A.W.S is able to offer 25mm slimline venetian blinds in a wide range of fashionable colours to suit any décor.

To save on heating and cooling costs and improve your green credentials choose double glazed venetian blinds. Manufactured with Uniline 25mm slats, they provide superb sun and glare protection and are a popular choice for commercial developments.

With decades of manufacturing experience and product know how A.W.S (All Window Solutions) is well equipped to supply orders from one blind to a commercial lot.
