

INSTALLER LABELS

ACCC New Child Safety Standards (from 1st January 2015)

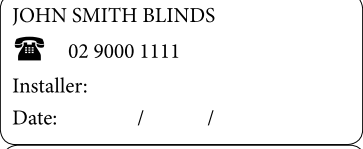

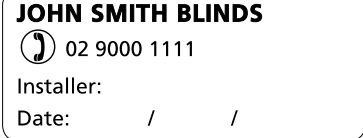

New safety standards have come into effect from 1st January 2015 which requires the installer to attach a label to the corded window covering/s which has the name and contact information of the company / person responsible for the installation. This label does not need to be visible to the purchaser of the blinds, but must be installed and must not be removed.

The ENTITY (Company or Person) responsible for selling the blind, and in turn responsible for the installation occurring, to the customer is RESPONSIBLE for the below labels to have YOUR entity details and contact details on them, all other information is optional.

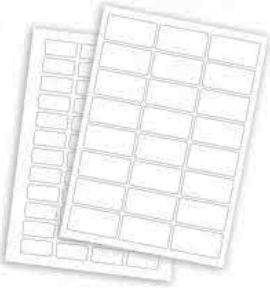

Below are 4 versions to allow simple compliance with these new laws. Custom designs / quantities / roll stocks are available for additional fees and charges.

These labels will be provided in sheet form (56 per A4 page) and printed black on gloss white label stock.

A.  **B.** 

C.  **D.** 

Minimum Requirement Information to comply with the new legislation
